RULES AND REGULATIONS FOR EXHIBITING

CANCELLATION POLICY: Written notice of booth cancellation received by JUBILEE management by April 1, 2012 shall qualify an exhibitor for a full refund of money paid to that date minus a \$50.00 handling fee. Fifty percent of total booth fees shall be charged on cancellations made after April 1, 2012. Full payment of booth/bulk space is required if written notice of cancellation is not received by JUBILEE management by June 1, 2012.

SET-UP: An exhibitor's booth must be completely set-up by 10:00 a.m. on Sunday, July 22, 2012 and must remain up until the trade show closes on Monday. All equipment shall be transported through loading dock doors. All booths must be staffed by a company representative during show hours.

DISMANTLING OF EXHIBITS: The official closing time is 3:00 p.m. Monday, July 23, 2012.

No exhibitor shall have the right prior to the closing of the show to pack or remove articles on the exhibit floor without written approval of the show management. Failure to adhere to this rule will jeopardize the exhibitor's participation in future shows.

BULK SPACE: Bulk space is available only to exhibitors of drill rigs, trucks, trenchers, and other oversized equipment. **All equipment displayed in bulk spaces must be available for purchase from the exhibiting company.** Management of the JUBILEE reserves the right to decide whether an exhibitor qualifies for bulk space.

EQUIPMENT AND PRODUCTS: All equipment on display must be new, with the exception of bits and truck chassis, which must be like new when displayed. No exhibitor shall exhibit materials other than the products sold and/or distributed by the contracted company.

HEAVY EQUIPMENT DISPLAYS: Rig manufacturers must not start their machines or utilize their hydraulic equipment once rigs are parked. Gasoline tanks must have locked caps. The amount of gasoline in the tank should be minimal - enough to permit move-in and move-out. Rig manufacturers must absorb costs for any damages done to the exhibit area by excessive oil leaks. Battery cables shall be disconnected and LP gas tanks removed.

All equipment for bulk display will be parked by scheduled appointment. If equipment is not on hand to be parked at the assigned time, the space assignment will be forfeited. Non-equipment use of bulk space is limited to 1/3 of total space.

SHARING SPACE: Manufacturers are not allowed to share exhibit spaces with other manufacturers. No exhibitor shall be allowed to sublet exhibit space, in whole or in part, to another company or individual without the written consent of show management. Company names on exhibitor badges will be the name of the company that signed the contract for space. **There will be no exceptions.**

CHARACTER OF EXHIBITS: All booth arrangements shall conform in all respects to the dimensional and height requirements.

-A booth rental includes a draped background 8' high with draped side rails 36" in height and a standard booth sign showing the firm name, said sign being optional and provided upon exhibitor request.

-Exhibitors shall, at their own expense, keep their booth spaces clean and their exhibits in good show order. The use of battery packs on the exhibitor floor during show hours is prohibited.

-Booths must be designed in a manner which does not interfere with the sight lines of adjacent or neighboring booths. Raw or cardboard wings must be painted or appropriately covered if visible in the display area.

-Character of exhibits shall be subject to the approval of the show management. The right is reserved to refuse the applications of concerns not meeting standards required or expected, as well as the right to curtail or to close exhibits or parts of exhibits that reflect unfavorably on the character of the meeting.

LIABILITY AND INSURANCE: Exhibitor expressly agrees that the South Atlantic Well Drillers JUBILEE, the show management, its officers, employees, agents, exhibit site, the convention decorator, successors and assigns shall not be liable for any damage or loss from any cause whatsoever, arising from the destruction of an exhibit or the property of an exhibitor or injuries to the person of an exhibitor, all claims for any such damage, loss or injury being expressly waived by the exhibitor. In the event the exhibit site is destroyed by fire or the elements, or other cause or in the event any circumstances, e.g. hurricanes, strikes, etc., make it impossible for the show management to permit exhibitors to occupy the exhibit site, the exhibitor expressly agrees that the South Atlantic Well Drillers JUBILEE, the show management, its officers, employees, agents, exhibit site, the convention decorator, successors and assigns shall not be liable for any damage, loss or injury arising from the same. All claims for any such damage, loss or injury being expressly waived by the exhibitor. If the exposition is not held as proposed, the exhibitor shall receive a refund of any amounts paid on exhibit space, less reasonable deductions for overhead expenses incurred. Any distribution of monies paid to the show management for booth space, etc, shall be distributed at the sole discretion of the show management, whose decision is final.

Every exhibitor shall carry insurance covering public liability and loss including damage and theft to protect against possible claims arising out of the operation of its exhibit. **A certificate of insurance shall be sent by the exhibitor to the JUBILEE at P.O. Box 1290, New Market, VA 22844.**

LIGHTING: No exhibitor shall install any floodlight fixtures which may cause the light from it to shine in other exhibits or in the eyes of guest.

DEMONSTRATIONS/PRESENTATIONS: Any sound tracks or spiels shall be at a low pitch which does not bother nearby exhibitors. Any attention-getting device or presentation shall be terminated if crowds jam aisles or infringe upon other exhibitor's displays.

OUTSIDE ACTIVITIES: No exhibitor shall operate or participate in the operation of any exhibit, demonstration, activity or event during show hours within the show city, except in assigned exhibit spaces. The distribution of any materials outside the exhibitor's own space is prohibited. Nothing in this provision shall be interpreted to curtail the normal established manufacturing activities of an exhibitor within the show city. However, no tours of these facilities shall occur during the show hours.

FIRE REGULATIONS: All materials used in the exhibit hall shall be fire proofed and will conform to all fire department regulations. No helium balloons or decorative paper of any kind shall be permitted.

FOOD: No exhibitor shall distribute food or drink in the trade show without written permission from the trade show managers.

ACTIVITIES: No exhibitor shall do anything which attracts trade show registrants away from any JUBILEE-sponsored activity, including the trade show and the JUBILEE dinner on Sunday night.

SALES: Selling during the show must not take on the proportions of an open market place. Auctions are prohibited. Show management will curtail promotions which are considered disruptive or in poor taste.

Show management is the interpreter of the requirements set forth in these rules and regulations. In the event of dispute, the agreement shall be constructed in accordance with the laws of the state of Virginia.

FREE ADVERTISING FOR YOU!

Participate in the Go Green Exhibitor's Program

Concern for energy efficiency and the environment continues, and significant funds in the economic stimulus package are aimed at developing energy efficient products. Your JUBILEE attendees are interested in learning about products and services that are designed to meet these concerns. Many industries, including the construction industry, are in the forefront of efforts to Go Green!

As a 2012 JUBILEE exhibitor, you are invited to feature in your booth products or services that meet energy efficient/environmentally friendly criteria. To encourage you, the JUBILEE is promoting your participation in two ways. First, your booth will have a special sign with the words Go Green! Second, your company will be included in a special program listing of companies that feature green products and services.

To sign up for the Go Green! Promotion, please fill out the information below and submit it to JUBILEE headquarters.
