WELCOME MESSAGE

Mike Floyd
Jubilee President

I'm Mike Floyd and I am the current President of the South Atlantic Well Drillers JUBILEE. Let me take this opportunity to welcome everyone back to the 2022 JUBILEE. After not having a 2020 show due to COVID concerns, we all gathered again and had a great time last year at the 2021 JUBILEE. This year's show is going to be even bigger and better, and I can't wait to see you all there again.

First started back in 1954 when 75 drillers attended a fledgling show at Carolina Beach, North Carolina, we are now celebrating our 67th annual gathering of friends, family, and industry peers in what has become a premier Myrtle Beach educational and informational event, and just a generally fun filled good time for all. The last two years have been extremely busy for everyone in the industry as the economy has boomed. Everyone that I've talked to has been super busy with more projects and business to do than they've ever experienced before. It has also had its share of challenges with most companies struggling with employee shortages, rapidly rising costs, and increasing regulatory interference. Our JUBILEE theme this year is "Focus on Your Future" and perhaps that's what we all need to do as we pivot forward into the future. This is a great opportunity to learn how to meet these business challenges head on so that our industry can become more efficient, become better managed, improve our knowledge, and increase our professionalism. We are the water well industry, and the world needs us more now than ever before. We need to learn to work smarter instead of harder as we move forward, and as we teach our younger generations the trade we've crafted.

So do yourself a favor and take a few days off from work to spend time with your family and friends at the beach and enjoy the show. We've got a great schedule of professional development opportunities for you. We've got activities for the kids. We've got vendors galore with great displays and products to show you. There's raffles and giveaways. There's the Worth Pickard Picnic. And maybe even a couple surprises for you. But most of all we want to see you and spend time with you and your family as we fellowship together. Let's have a great time and make 2022 the best JUBILEE show ever!

Mike Floyd – South Atlantic JUBILEE President
